Re: **Central Texas Telephone Cooperative, Inc. Notice of Network Changes,**
CC Docket No. 96-98, 47 CFR Sections 51.325 – 51.335

Dear Ms. Dortch:

Pursuant to Sections 51.325 – 51.335 of the Federal Communications Commission's ("FCC" or "Commission") Rules, Central Texas Telephone Cooperative, Inc. ("Central Texas"), by its attorney, hereby submits the attached Short Term Public Notice Under Rule 51.333(a). Specifically, Central Texas is providing notification of its planned replacement of certain copper distribution and loop facilities with fiber-to-the-home facilities in its Big Valley Central Office. Upon completion, Central Texas will provide services over its fiber optic network.

At these addresses, Central Texas serves approximately 90 retail customers, most of whom purchase "plain old telephone service" ("POTS"). Following Central Texas's transition to fiber, Central Texas will continue to offer POTS over fiber and its customers will be offered the same regulated services at the same prices as they have today. There are no telephone exchange service providers that directly interconnect with Central Texas's incumbent local exchange carrier ("LEC") network.
